Hi Raffael,

I am writing to inform you that I am experiencing some health issues that currently prevent me from driving test vehicles. I am in the process of scheduling an appointment with my physician and will provide an update as soon as I have more information.

I also wanted to let you know that I contacted Ignacio regarding this matter and received a response stating that I have no sick time left. While I am aware of my sick leave balance, I am unsure how to interpret his response in this context.
