Hi Ignacio,

I am currently experiencing some health issues that prevent me from driving test vehicles.

I am working on scheduling an appointment with my physician and will provide an update once I have more information.

Best,

Peter Wolf

Hi Ignacio,

I am aware that I have no more sick days available.

I picked up the prescribed medication yesterday, and my doctor has cleared me to return to work tomorrow, Wednesday, September 10, 2025.

Best,

Peter Wolf

Hi Ignacio,

I am scheduled to see my doctor on October 7th regarding this issue and will be able to provide a note at that time.

In the meantime, please let me know what you would like me to do. Should I report to work tomorrow, Wednesday, September 10th? Also, what should I enter on my time card for Tuesday, September 9th?

Best,

Peter Wolf

Peter

I am going to need a doctors note before you can return. You stated that you were "experiencing some health issues that prevent me from driving test vehicles." Picking up a prescription does not clear you for driving, only a doctor can do that.

I am not comfortable with you driving a car at this moment. As far as what you are on your timecard, the day is unpaid. You exhausted your sick days.
